07 May 2026

Quayside Holdings Limited announces the appointment of Scott Campbell (Te Arawa, Ngāi Te Rangi, Ngāti Pūkenga) as Chair of Huakiwi Services Limited, effective 18 May 2026.

Huakiwi operates as a joint venture between Quayside and Te Tumu Paeroa, governed by a four-member Board. Under the Huakiwi Developments LP arrangements, Quayside appoints two directors, with the remaining two directors appointed by Te Tumu Paeroa.

Mr Campbell is an experienced governance and executive leader with extensive experience across public sector leadership, iwi engagement, strategy and risk management. He is a Member of the Institute of Directors and brings a strong understanding of governance in culturally and commercially complex environments.

Quayside welcomes Mr Campbell's appointment, noting the depth of governance capability and cultural expertise he brings to the Board. His experience and relationships are well aligned with Huakiwi's operating context and its partnerships with iwi landowners.

Mr Campbell replaces Lyndon Settle, who previously served as Chair of Huakiwi on behalf of Quayside. Quayside thanks Mr Settle for his contribution and service during his tenure.
