Tauranga Commercial Developments Limited Director's Declaration For the year ended 30 June 2022

Tauranga Commercial Developments Limited ('the Company') is a joint venture partnership between Quayside Properties Limited and Commercial Fund Investors Limited. Quayside Properties Limited is a wholly owned subsidiary of Quayside Holdings Limited whose ultimate controlling entity is the Bay of Plenty Regional Council. As a consequence, Tauranga Commercial Developments Limited is deemed to be a 'Council Controlled Organisation' under the Local Government Act 2002. Tauranga Commercial Developments Limited was incorporated on 30th October 2018.

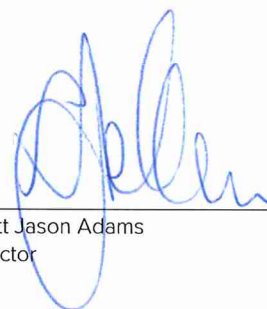

The Company's Statement of Intent, prepared in accordance with the Local Government Act 2002, covers prudent financial management and risk management. Refer to note 4 for further information.

The directors are pleased to present the financial statements of Tauranga Commercial Developments Limited for the year ended 30 June 2022.

For and on behalf of the Board of Directors:

Alexander Scott Hamilton
Director

Scott Jason Adams
Director

INDEPENDENT AUDITOR'S REPORT

TO THE SHAREHOLDERS OF TAURANGA COMMERCIAL DEVELOPMENTS LIMITED'S FINANCIAL STATEMENTS AND PERFORMANCE INFORMATION FOR THE YEAR ENDED 30 JUNE 2022

The Auditor-General is the auditor of Tauranga Commercial Developments Limited (the Company). The Auditor-General has appointed me, Glenn Keaney, using the staff and resources of KPMG, to carry out the audit of the financial statements and performance information of the Company on his behalf.

Opinion

We have audited:

- The financial statements of the Company on pages 5 to 19, that comprise the statement of financial position as at 30 June 2022, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year ended on that date and the notes to the financial statements that include accounting policies and other explanatory information; and
- The performance information of the Company on pages 13 to 14.

In our opinion:

- The financial statements of the Company on pages 5 to 19:
 - Present fairly, in all material respects:
 - Its financial position as at 30 June 2022; and
 - Its financial performance and cash flows for the year then ended; and
 - Comply with generally accepted accounting practice in New Zealand in accordance with New Zealand Equivalent to International Reporting Standards Reduced Disclosure Regime; and
- The performance information of the Company on pages 13 to 14 presents fairly, in all material respects, the Company's actual performance compared against the performance targets and other measures by which performance was judged in relation to the Company's objectives for the year ended 30 June 2022.

Our audit was completed on 25 August 2022. This is the date at which our opinion is expressed.

The basis for our opinion is explained below. In addition, we outline the responsibilities of the Board of Directors and our responsibilities relating to the financial statements and the performance information, we comment on other information, and we explain our independence.

Basis for our opinion

We carried out our audit in accordance with the Auditor-General's Auditing Standards, which incorporate the Professional and Ethical Standards and the International Standards on Auditing (New Zealand) issued by the New Zealand Auditing and Assurance Standards Board. Our responsibilities under those standards are further described in the Responsibilities of the auditor section of our report.

We have fulfilled our responsibilities in accordance with the Auditor-General's Auditing Standards.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Board of Directors for the financial statements and the performance information

The Board of Directors is responsible on behalf of the Company for preparing financial statements that are fairly presented and that comply with generally accepted accounting practice in New Zealand. The Board of Directors is also responsible for preparing the performance information for the Company.

The Board of Directors is responsible for such internal control as it determines is necessary to enable it to prepare financial statements and performance information that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements and the performance information, the Board of Directors is responsible on behalf of the Company for assessing the Company's ability to continue as a going concern. The Board of Directors is also responsible for disclosing, as applicable, matters related to going concern and using the going concern basis of accounting, unless the Board of Directors intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors' responsibilities arise from the Local Government Act 2002.

Responsibilities of the auditor for the audit of the financial statements and the performance information

Our objectives are to obtain reasonable assurance about whether the financial statements and the performance information, as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit carried out in accordance with the Auditor-General's Auditing Standards will always detect a material misstatement when it exists. Misstatements are differences or omissions of amounts or disclosures, and can arise from fraud or error. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the decisions of shareholders, taken on the basis of these financial statements and the performance information.

For the budget information reported in the financial statements and the performance information, our procedures were limited to checking that the information agreed to the Company's statement of intent.

We did not evaluate the security and controls over the electronic publication of the financial statements and the performance information.

As part of an audit in accordance with the Auditor-General's Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. Also:

- We identify and assess the risks of material misstatement of the financial statements and the performance information, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- We obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- We evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.

- We evaluate the appropriateness of the reported performance information within the Company's framework for reporting its performance.
- We conclude on the appropriateness of the use of the going concern basis of accounting by the Board of Directors and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists we are required to draw attention in our auditor's report to the related disclosures in the financial statements and the performance information or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- We evaluate the overall presentation, structure and content of the financial statements and the performance information, including the disclosures, and whether the financial statements and the performance information represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Board of Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Our responsibilities arise from the Public Audit Act 2001.

Other Information

The Board of Directors is responsible for the other information. The other information comprises the information included on pages 20 to 21, but does not include the financial statements and the performance information, and our auditor's report thereon.

Our opinion on the financial statements and the performance information does not cover the other information and we do not express any form of audit opinion or assurance conclusion thereon.

In connection with our audit of the financial statements and the performance information, our responsibility is to read the other information. In doing so, we consider whether the other information is materially inconsistent with the financial statements and the performance information or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on our work, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Independence

We are independent of the Company in accordance with the independence requirements of the Auditor-General's Auditing Standards, which incorporate the independence requirements of Professional and Ethical Standard 1: *International Code of Ethics for Assurance Practitioners* issued by the New Zealand Auditing and Assurance Standards Board.

Other than the audit, we have no relationship with, or interests in, the Company.

Glenn Keaney

Tauranga Commercial Developments Limited

Notes to the Financial Statements

For the year ended 30 June 2022

1 Reporting Entity

Tauranga Commercial Developments Limited (the Company) is a company incorporated and domiciled in New Zealand and registered under the Companies Act 1993. The Company is a joint venture between Quayside Properties Limited and Commercial Fund Investors Limited.

The Company is a council-controlled trading organisation as defined under Section 6 of the Local Government Act 2002, as the parent company of Quayside Properties Limited is Quayside Holdings Limited, whose ultimate controlling entity is the Bay of Plenty Regional Council.

The primary purpose of the Company is the purchase and development of commercial real estate assets in Tauranga. The Company is a for-profit entity.

2 Basis of Preparation

Statement of compliance

The financial statements of the Company have been prepared in accordance with the requirements of the Local Government Act 2002, which includes the requirement to comply with generally accepted accounting practice in New Zealand (NZ GAAP).

The financial statements comply with New Zealand Equivalents to International Financial Reporting Standards – Reduced Disclosure Regime (“NZ IFRS RDR”) and other applicable Financial Reporting Standards as appropriate to for-profit entities. The Company is a reporting entity for the purposes of the Financial Reporting Act 2013 and its financial statements comply with that Act.

NZ IFRS – reduced disclosure regime

The Company applies External Reporting Board Standard A1 ‘Accounting Standards Framework (For-profit Entities Update)’ (‘XRB A1’). For the purposes of complying with NZ GAAP, the Company is eligible to apply Tier 2 For-profit Accounting Standards (NZ IFRS RDR) on the basis that it is not a large for-profit public sector entity.

The financial statements were approved by the Board of Directors on 25 August 2022.

Basis of measurement

The financial statements have been prepared on a historical cost basis except that the following assets are stated at their fair value: investment properties.

Presentation currency

These financial statements are presented in New Zealand dollars (\$), and where presented, rounded to the nearest thousand.

Changes in accounting policies

There have been no changes in accounting policies. The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

2 Basis of Preparation (continued)

Use of estimate and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

In particular, information about significant areas of estimation uncertainty and critical judgements in applying accounting policies that have a significant effect on the amount recognised in the financial statements, are detailed below:

- Valuation of investment properties (note 10).

Classification of property

The Company owns a property, which has been purchased for long term capital appreciation or rental rather than for short-term sale in the ordinary course of business. The directors in applying their judgement have classified these properties as investment property according to NZ IAS 40.

3 Significant Accounting Policies

Revenue

The principal source of revenue is rental income.

Rental income is recognised on a straight line basis over the leases term. Lease incentives provided to tenants are amortised on a straight line basis over the non-cancellable portion of the lease to which they relate, as a reduction of rental income.

Interest income

Interest income is recognised as it accrues, using the effective interest method.

Finance expenses

Finance expenses comprise interest expense on borrowings. Except for interest capitalised directly attributable to the purchase or construction of qualifying assets, all borrowing costs are recognised in the Statement of Comprehensive Income using the effective interest method.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts, when applicable, are shown within borrowings in current liabilities in the Statement of Financial Position.

Trade and other receivables

Trade and other receivables are measured at amortised cost less provision for impairment.

3 Significant Accounting Policies (continued)

Investment properties

Investment properties are property held either to earn rental income or for capital appreciation or for both, but not for sale in the ordinary course of business, used in the production or supply of goods or services or for administrative purposes. Where part of the investment property is used for administrative purposes, the property is deemed to be investment property if an insignificant portion is held for this purpose. Investment properties are measured at cost on initial recognition and subsequently at fair value with any change therein recognised in profit or loss. Cost includes any expenditure that is directly attributable to bringing the investment property to a working condition for their intended use and capitalised borrowing costs.

Any gain or loss on disposal of an investment property (calculated as the difference between the net proceeds from disposal and the carrying amount of the item) is recognised in profit or loss.

Any improvements in investment property will be recognised initially at cost whilst the work is in progress, and will subsequently be included in the fair value revaluation once the work is complete.

Trade and other payables

Trade and other payables are stated at amortised cost.

Borrowings

Borrowings are initially recognised at their fair value plus transaction costs, if any. After initial recognition, all borrowings are measured at amortised cost using the effective interest method. Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after balance date.

Share capital

Incremental costs incurred in the issue of ordinary shares and share options are recognised as a deduction from equity.

Impairment

The carrying amounts of the Company's assets other than investment properties are reviewed for indicators of impairment as at each balance date. When there is an indicator of impairment, the asset's recoverable amount is estimated. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use.

3 Significant Accounting Policies (continued)

Value in use is depreciated replacement cost for an asset where the service potential of the asset is not primarily dependent on the asset's ability to generate net cash inflows and where the company would, if deprived of the asset, replace its remaining service potential.

If an asset's carrying amount exceeds its recoverable amount, the asset is impaired and the carrying amount is written-down to the recoverable amount. The impairment loss is recognised in the Statement of Comprehensive Income.
Non-derivative financial instruments

Non-derivative financial instruments

Non-derivative financial instruments comprise trade and other receivables, cash and cash equivalents, trade and other payables and loans and borrowings.

A financial instrument is recognised if the Company becomes a party to the contractual provisions of the instrument. Financial assets are derecognised if the Company's contractual rights to the cash flows from the financial assets expire or if the Company transfers the financial asset to another party without retaining control or substantially all risks and rewards of the asset.

Non-derivative financial instruments are recognised initially at fair value. Subsequent to initial recognition, financial instruments are measured at amortised cost using the effective interest method, less any impairment losses.

Goods and services tax

All amounts are shown exclusive of Goods and Services Tax (GST), except for trade receivables and trade payables that are stated inclusive of GST.

Income tax

Income tax expense includes components relating to current tax and deferred tax.

Current tax is the amount of income tax payable based on the taxable profit for the current year. Current tax also includes adjustments to income tax payable in respect of prior years.

Deferred tax is the amount of income tax payable or recoverable in future periods in respect of temporary differences and unused tax losses. Temporary differences are differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which the deductible temporary differences or tax losses can be utilised.

Deferred tax is not recognised if the temporary difference arises from the initial recognition of goodwill or from the initial recognition of an asset or liability in a transaction that affects neither accounting profit nor taxable profit.

Current tax and deferred tax are measured using tax rates (and tax laws) that have been enacted or substantively enacted at balance date.

Current and deferred tax is recognised against the profit or loss for the period, except to the extent that it relates to items recognised in other comprehensive income or directly in equity

4 Statement of Service Performance

In accordance with section 64 of the Local Government Act 2002, the Company is required to prepare an annual Statement of Intent. This Statement of Service Performance reports on the Statement of Intent targets and results for the period ending 30 June 2022:

Objective	Performance targets	2022 Result
TCD maintains a strategic direction that is consistent with that of its immediate shareholder.	TCD will submit a draft SOI for comment to QPL and Council by 1 March annually.	The draft Statement of Intent was submitted to Bay of Plenty Regional Council and Quayside on 28 February 2022. <i>(2021: draft SOI submitted to BOPRC and Quayside 26 February 2021)</i>
TCD keeps shareholders informed of all significant matters relating to it.	TCD will meet and provide updates to its shareholders quarterly on new opportunities and key works programmes. TCD will advise any major matters of urgency (including any departures from budget or health and safety issues) to its shareholders at the earliest opportunity.	The board met on a quarterly basis. Reporting was provided up to the Quayside board of directors as part of the investment portfolio and performance updates. <i>(2021: reporting provided through investment updates to the Quayside board)</i>
Corporate governance procedures are appropriate, documented and reflect best practice.	The Board will maintain an appropriate and thorough set of corporate governance policies and procedures which will be reviewed at least every two years. The Board will retain a complete and up to date set of minutes and company records.	The policies are reviewed on a biennial basis with the last reviews conducted November 2020. Next review before November 2022. <i>(2021: policies reviewed by the Tauranga Commercial Developments board November 2020)</i>

Target met: Yes

Key initiatives

Objective	Performance targets	2022 Result
To provide investment into the Tauranga region through the identification of development projects that provide commercial returns to its shareholders.	Achieve a commercial return on the site at 63-69 Spring St. Continue planning & project feasibility for a new office development 63-69 Spring St, including but not limited to project feasibility, concept design, early contractor engagement. Continue to seek out an anchor tenant/ tenants for the new development. Continue to seek out and actively review other commercial opportunities for the site to manage costs.	63-69 Spring Street had a gain on revaluation of \$1,350,000 (2021: \$578,000). The site at 63-69 Spring Street is generating a rental income through a lease agreement with Wilson carparking. The Board continued its ongoing engagement with external parties including potential tenants. A feasibility study for potential development of the site is underway. <i>(2021: Spring St gain on revaluation of \$578,000. The board having</i>

-------------------------------------	---	---

Deferred tax expense

Recognition of temporary differences	-	-
--------------------------------------	---	---

Income tax benefit / (expense)	-	-
---------------------------------------	----------	----------

8 Deferred taxation

Unrecognised tax losses or temporary differences

At 30 June 2022, a cumulative deferred tax asset of \$31,467 (2021: \$33,350) has not been recognised in relation to cumulative tax losses of \$112,385 (2021: \$119,107). The deferred tax asset was not recognised as it is not probable that future taxable profit will be available against which the Company can utilise the benefits therefrom.

9 Trade and other receivables

	2022 \$000	2021 \$000
Lease income receivable	9	-

Current trade and other receivables, excluding prepayments, are non-interest bearing and receipt is normally on 30-day terms, therefore the carrying value of debtors and other receivables approximates their fair value.

10 Investment properties

	2022 \$000	2021 \$000
Opening balance	7,650	6,725
Additions – Work in progress (at cost)	-	347
Additions - Acquisitions (at cost)	-	-
Fair value gains on valuation	1,350	578
Balance at 30 June	9,000	7,650
Lease income from investment properties	89	-
Expenses from investment property generating income	68	43

Investment property is revalued annually to fair value. The property is located at 63 – 69 Spring Street, Tauranga. The property is currently in the process of being assessed for redevelopment and construction of a multi level building. The valuation of the investment property was carried out by Preston Rowe Paterson, Tauranga. The valuer is experienced with extensive market knowledge in the type of investment property owned by Tauranga Commercial Developments Limited. Investment property was valued based on open market evidence and 'highest and best use' currently for the land, which has been determined as a 'redevelopment site'. The date of valuation was 30 June 2022 and the site was clear of any building improvements. A value of \$3,650 per square metre was adopted (2021: \$3,125). The valuer in particular took note of the following:

- Central business district location
- High profile corner site
- Available for immediate redevelopment
- Limited development sites currently available to the market
- Dual street access
- Increasing confidence in the Tauranga CBD, improving the overall demand for redevelopment sites in the CBD
- Rising build costs
- Interest rate rises
- Covid-19 market uncertainty

11 Trade and other payables

	2022 \$000	2021 \$000
Sundry accruals	(16)	(13)
GST payable	(2)	-
	(18)	(13)

Trade and other payables are non-interest bearing and are normally settled on 30-day terms. The carrying value of trade and other payables approximates their fair value.

12 Capital and reserves

(a) Share capital

	2022 No.	2021 No.
Ordinary shares		
Opening balance	1,200	1,200
Issue of ordinary shares	-	-
Balance at 30 June	1,200	1,200

The holders of the ordinary shares are entitled to dividends as declared from time to time and all shares have equal voting rights at meetings of the Company, and rank equally with regard to the Company's residual assets on wind up. All shares are fully paid.

(b) Additional shareholder capital contributions

	2022 \$000	2021 \$000
Opening balance	550	550
Additional shareholder capital contributions	-	-
Balance at 30 June	550	550

The additional shareholder capital contributions are non-reciprocal. They are therefore classed as equity and there is no requirement to repay the amounts under any circumstances. Repayment is at the discretion of the Company.

13 Financial instruments

Categories of financial instruments

	2022 \$000	2021 \$000
Financial assets at amortised cost		
Cash and cash equivalents	43	40
Trade and other receivables	9	-
	<hr/>	<hr/>
	52	40
Financial liabilities at amortised cost		
Trade and other payables	(16)	(13)

GST receivable/(payable) which is included within trade and other receivables/(payables) in the statement of financial position, is not classified as a financial instrument.

14 Related party transactions

Identity of related parties

Ultimate controlling parties

The Company is 50% owned by Quayside Properties Limited, and 50% owned by Commercial Fund Investors Limited. Quayside Properties Limited is part of the Quayside Group which is ultimately owned by the Bay of Plenty Regional Council.

Key management personnel

The Company has a related party relationship with its directors. The Company has no employees.

Other related entities

Other related parties include subsidiaries and equity accounted investees in the Quayside Group.

There were no related party transactions or balances outstanding with related parties as at 30 June 2022 (2021: nil), include:

There were no related party debts have been written off or forgiven during the period (2021: nil).

Transactions with key management personnel

There has been no director remuneration.

15 Operating leases as lessor

Included in investment property is carparking leased under a management agreement. The term is for two years, however both parties reserve the right to terminate by one month's notice in writing therefore there are no future minimum lease receivables for non-cancellable leases.

16 Capital commitments and contingencies

The Company has no contractual commitments (2021: nil).

17 Subsequent events

There have been no events subsequent to balance date which would materially affect the financial statements.

Tauranga Commercial Developments Limited

Statutory Information
